of national parks.
[12 of 1990].

7. (1) There shall be a Director of national parks, who shall exercise administrative control of the other persons appointed under this subsection and of the superintendents of parks, park wardens and such other officers and employees as are necessary for the proper administration of the national parks system.

(2) The Director of national parks, the superintendents of parks, the park wardens and such other officers and employees appointed pursuant to subsection (1) constitute the National Parks Service.

(3) The Director may employ such casual workers as he considers necessary for the administration of the national parks system, in keeping with such terms and conditions for their employment as may be provided by the Minister.

National Parks
Advisory
Council.

8. (1) There shall be a Council, to be known as the National Parks Advisory Council, consisting of –

(a) the person from time to time holding the office of Director of national parks; and

(b) three members appointed by the Minister;

(c) one member appointed by the Minister on the recommendation of the Dominica Conservation Society.

(2) Each member of the Council appointed under subsection (1)(b) shall hold office during pleasure for a term not exceeding three years and is eligible for re-appointment.

(3) Any person appointed as a member of the Council under subsection (1)(b) shall, as far as is reasonably practicable, be qualified to act as member of the Council by reason of his interest, training or occupation.

9. (1) The Director shall be the Chairman of the Council, but in the event of his absence or incapacity or if the office of the Director is vacant, the other members of the Council shall elect one of their number to act as Chairman for the time being.

Director to serve as Chairman of Council.

(2) Each member of the Council, other than the Director, shall be paid such fees and expenses for attendance at meetings of the Council as may be authorised by law.

(3) Three members constitute a quorum of the Council.

10. (1) The Council shall advise the Minister on matters relating to the administration, management and control of the national parks system and any other matters related to the national parks system that he may refer to it.

Function of Council.

(2) The Director shall furnish to the Council all information necessary for it to carry out its functions under this Act.

11. (1) The Director may, with respect to any area within the national parks system, prepare a plan of management for submission to the Minister.

Preparation of plan of management.

(2) A plan shall contain a scheme of operations, not inconsistent with the purposes of this Act, that it is proposed to undertake in respect of the area within the national parks system to which the plan relates.

(3) Where the plan affects or is likely to affect any work or undertaking of the Government, the Director shall refer the plan to the Government for its comments and recommendations.

(4) If the Minister proposes to adopt a plan, he shall cause a notice of the plan to be published in the *Gazette* specifying –

(a) the address of the place where the plan may be inspected; and

(b) the address to which representations respecting the plan may be sent.

(5) Within one month of publication of a notice as required by subsection (4) or within such longer period as may be specified in the notice, any person may send representations respecting the plan to the address specified in the notice.

Director to refer
plan to Council.

12. (1) Upon expiration of one month from the day of publication of a notice referred to in section 11 (4), or such longer period as may be specified in the notice, the Director shall refer to the Council the plan to which the notice relates, any comments and recommendations from the Government and any representations that he has received from any person with respect to the plan.

(2) The Council shall consider the plan and the comments, recommendations and representations, if any, that have been referred to it under subsection (1) and, upon completion of its considerations, shall transmit the plan together with its recommendations to the Minister.

(3) Upon receipt of the recommendations of the Council the Minister may –

- (a) adopt the plan, with such modifications, if any, as he considers necessary in the light of any recommendations made by the Council; or
- (b) refer the plan back to the Director for further consideration and re-submission to the Minister upon such terms and conditions as he considers necessary.

(4) Upon re-submission of a plan pursuant to subsection (3)(b), the Minister may adopt the plan, with such modifications, if any, as he considers necessary.

Amendments or
substitution of
plans.

13. (1) Subject to subsection (2), the Minister may amend or cancel any plan or substitute a new plan for an existing plan.

(2) Where, pursuant to subsection (1), the Minister proposes to make a major amendment to a plan or substitute a new plan, he shall instruct the Director to prepare an amended plan or a new plan, as the case may be, and subsections (3), (4) and (5) of section 11 and section 12 shall apply, with such modifications as the circumstances require.

(3) Where a plan is in force in relation to any area within the national parks system –

- (a) the area shall be operated in accordance with the plan;
and
- (b) no activity contrary to the plan shall be carried out in the area.

Government to
continue
operations.
[12 of 1990].

14. (1) Subject to this section, Government in its capacity as water authority, may continue to operate, manage and maintain any work or undertaking in existence upon the coming into force of this Act in any area of the national parks system.

(2) For the purposes of constructing any new work or undertaking authorised by the Central Water Authority (Repeal and Vesting of Property) Act or extending any existing work or undertaking within the national parks system, the Minister may enter into an agreement with the Government in its capacity as water authority and thereupon the Government in its capacity as water authority may carry out such construction or extension subject to such terms and conditions as are specified in the agreement.

Agreement.
19 of 1986.

(3) The Government in its capacity as water authority may continue to exercise its powers, duties and functions under the Central Water Authority (Repeal and Vesting of Property) Act in relation to any work or undertaking authorised by that Act in any area of the national parks system but in the exercise of those powers, duties and functions it shall follow any directions given by the Minister for the purpose of the preservation and conservation of any area of the national parks system.

15. (1) Subject to this section, the Company referred to in the Electricity Supply Act (hereinafter referred to as the "Company") may continue to operate, manage and maintain any work or undertaking authorised by that Act and in existence upon the coming into force of this Act in any area of the national parks system.

Hydro-electric
projects.
Ch. 43:70.

(2) For the purpose of constructing any new work or undertaking authorised by the Electricity Supply Act or extending any existing work or undertaking within the national parks system, the Minister may enter into an agreement with the Company and thereupon the Government may carry out such construction or extension subject to such terms and conditions as are specified in the agreement.

Agreements.

(3) The Company may continue to exercise its powers and functions under the Electricity Supply Act in relation to any work or undertaking authorised under that Act in any area of the national parks system but in the exercise of those powers and functions it shall follow any directions given by the Minister for the purpose of the preservation and conservation of any area of the national parks system.

Powers and
functions of the
Company.

16. (1) The Minister may, with respect to the national parks system, make Regulations for carrying out the purposes of this Act and, without limiting the generality of the foregoing, may make Regulations providing for –
